Lecture on **Shakespeare for Scientists and Engineers** Programme

Date: 24th February, 2016

Time : 1400 Hrs onwards

Venue

**Dr. DS Kothari Auditorium
at DRDO Bhawan, Opp. Sena Bhawan, New Delhi**

About the Speaker :

Prof. B.N.Balajee, a renowned Professor of English who has served with distinction at Mysore and Sai Baba Universities is an erudite scholar and a household name among lovers of English Literature in Karnataka. He has distinguished himself as a keen student of Literature, critic, research guide and a sizzling motivator and versatile trainer of teachers in the traditional as well as open and distance learning mode. After forty years of PG and UG teaching, Prof. Balajee is known as an *expert mentor* for those who take up GRE and GMAT tests, KAS and IAS. Prof. Balajee is a frequent broadcaster with three books and over 180 study materials and 30 articles to his credit. Since 2014 January he has been deeply involved in the organization activities in institutions across Karnataka to promote Shakespeare studies.

As a Shakespearean he is a scholar who has taught the bard's work for four decades. He was the secretary of the Dhvanyaloka Shakespeare Festival. He has a rare and unique collection of the legacy of the Bard. This includes pictures, posters, photographs, display cards and theatre material he has collected from London Stratford, New York, Bombay and Delhi. He has held dozens of exhibition with his rare collection of artifacts and memorabilia of Shakespeare at National festivals of Drama.

ABOUT THE PROGRAM

The Council has been innovative and creative in their vision and mission. Traditions are being broken to deviate from the roots to set our own path.

For a change, it has been decided to hold a lecture on "Shakespeare for scientists and Engineers" to mark the Quarter centenary of the William Shakespeare.

The programme is scheduled on 24th Feb 2016. The lecture will be delivered by Prof. B.N.Balajee, a renowned Professor of English.

The programme shall be conducted in two sessions and a Q & A session with exhibits of the William Shakespeare. The Lecture will be inaugurated by a VIP and the ministerial staff of MoD will be invited.

- The first session will relate to the need to bridge the gap between science and humanities and bring in Shakespeare studies that can enhance and enrich the studies of subjects in science and technologies.
- The second session will expose the participants to the best of Shakespeare's legacy and contribution to mankind followed by a Q & A section.

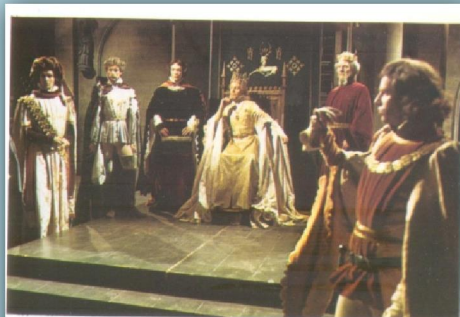

The exhibits shall comprise of rare and unique collection of works related to Shakespeare through posters, photographs and memorabilia.

The programme shall be a festival with a difference especially for Shakespeare lovers. All members are requested to give wide publicity of above programme and attend the same. The Bio data of the speaker is enclosed and mailed to all.

Let us immerse in the power and glory of William Shakespeare and refresh ourselves.

Attendance is by registration only on www.dipmcouncilofindia.com. Guests are requested to register in the "Event" page in the website named "[Shakespeare for Scientists and Engineers](#)".
